**Print Ads** – These ads will be printed in black and white and will run in our newsletter. There are approximately 1,000 homes on this list. The newsletters are also made available on our website in pdf form. We will also accept “inserts” into our newsletters and can do this at reduced prices because the printing will be up to you (This is also the best way to get a color ad in). OSCA will take care of stuffing and delivering.

**Online Ads** – These ads will run in the ad column along the right side of the web page. This column is present on all areas of the website except the forum section. We can also provide a link to a flyer or pdf and host that at no additional charge. By utilizing this you can make the ad eye catching and have all the details located elsewhere linked from the main ad.

**Free Ads** – We do offer free advertisement if you meet any of our classifications. First, if you happen to be a kid that lives in Olde Sawmill and has a business to advertise for like lawn mowing, babysitting or some other business you qualify. The second type of ad that qualifies for free is if you or your organization want to promote any public event within Olde Sawmill. All we ask is that your event promote something generally accepted as positive. This could be a gathering at the park, it could be a fund-raiser for a Dublin or Worthington school. All requests are subject to the OSCA boards discretion.
